

THE COFFS CITY ROTARY CHARITY GOLF DAY Sunday 5th November 2017

Sponsorship Packages

Gold Level

Whilst the day is all about fun and supporting worthwhile local charities and is set up in a way that both golfers and non-golfers can enjoy, if you are do not wish to play you can still show your support with a sponsorship only package – an advertising banner located in a prime location \$400.

A team of 4 players and your advertising banner placed in a prime location around the clubhouse lawn area and adjoining tees and greens. You will be guaranteed maximum exposure for 3 days leading up to and including the charity golf day, excellent value for money at \$695.00

Silver Level

Sponsorship only – your advertising banner located in a premier location \$200.

A team of 4 players and your advertising banner placed in a premier location, typically tee areas and high traffic areas around the golf course. Great value at \$595.00.

Bronze Level

Sponsorship only – your advertising banner located in a stand location \$100.

A team of 4 players and your advertising banner placed in a standard location, typically around greens and on fairways, competitively priced at \$500.00.

Sponsors will receive excellent exposure on what has been voted Australia's Most Beautiful Golf Course for 4 years in a row by "The Golf Course Guide". The charity day will be promoted heavily to Rotarians as well as the local business community, providing great promotional opportunities to our sponsors. With the high level of weekend traffic typically experienced at this prestigious and highly regarded location, you will have the opportunity to not only support very deserving causes, but experience one of the best golf courses in Australia whilst promoting your business at the same time. You are also encouraged to provide promotional merchandise to be distributed to all players, as part of your sponsorship. This will provide you with an extra opportunity to leave a lasting impression. All sponsors will be issued with a tax invoice (no GST included).

In support of the following key causes

Mid North Coast Cancer Institute

Coffs City Rotary was able to provide the cancer unit with a highly specialised "Delfin Moisture Meter" from the proceeds of the 2016 event, and the support continues this year with the provision of a Vital Signs Monitor valued at \$8800. The latest in available technology, the unit will provide a new level of service and accuracy for local patients. In conjunction with other Rotary Clubs in the area, the aim is to provide 10 of these units to the cancer unit to allow it to continue to provide the high level of care that is valued so highly by those who have been in the unfortunate position to require their services.

Waratah Centre

Waratah Respite service is a very unique and innovative community service model. State and Commonwealth funding provide centre-based day care, evening and overnight respite to people who are frail aged, people with dementia and adults with disabilities living in Coffs Harbour and surrounding districts. They have provided respite services since 1987 and accept clients at three centres: Waratah Respite Centre in Coffs Harbour, Banksia Cottage in Bellingen and Seagulls Cottage in Woolgoolga.
